Attorney Docket Number: 26601- :
010012 :

This is a decision on the petition under 37 CFR 1.182, filed on June 29, 2012, requesting the issuance of a duplicate Letters Patent for the above-identified application.

The petition is **DISMISSED**.

37 CFR 1.182 states:

All situations not specifically provided for in the regulations of this part will be decided in accordance with the merits of each situation by or under the authority of the Director, subject to such other requirements as may be imposed, and such decision will be communicated to the interested parties in writing. Any petition seeking a decision under this section must be accompanied by the petition fee set forth in § 1.17(f).

A request for a duplicate Letters Patent may be made because of the loss of the Letters Patent either by applicant or assignee, or applicant or assignee's registered patent practitioner, or because the original letters patent has been destroyed. The petition must set forth the reason why a duplicate Letters Patent is requested, and must be made by a proper party in interest.

The petition is dismissed because petitioners have not set forth an acceptable reason for the request for a duplicate Letters Patent.

Any request for reconsideration must be accompanied by an explanation as to the reason for the request for a duplicate Letters Patent.

Receipt of the fee set for at \$ 1.17(f) is acknowledged. No further fees are due.
